Technical and Product Description	Designed in 1958, the 2097 Chandelier is an ultra-modern representation of the classic mid-century traditional chandelier. Designed by Gino Sarfatti, this contemporary ceiling chandelier is state of the art. The main steel structure of this modern ceiling light has a mirror-polish finish. Each bulb is fitted on its own horizontal arm with the wiring meandering according to the shape of the arms all the way down to the stem. It has a ceiling fitting and comes with a suspension cable. The 2097 Chandelier holds 18, 30 or 50 15W E14 Clear Ball Incandescent bulbs which emits indirect light. The Gino Sarfatti Mod. 2097 chandelier is available in brass, chrome and matte black and has three models: - 2097/18 (18 bulbs 20" x 22") - 2097/30 (30 bulbs 28" x 35") - 2097/50 (50 bulbs 34.6" x 39.7") Canopy diameter 4.6"
