Technical and Product Description	<p>IC Lights S by renowned designer Michael Anastassiades consists of a thin steel frame that twists and bends at an angle. From there, a blown-glass opaline orb delicately balances. The pendant lamp, which casts diffused light, is now available in a brand-new black finish that adds dimension to the stunning collection of deceptively simple designs.</p> <p>IC Lights is available in a brass, chrome, black or burgundy finish.</p> <p>"</p>
