Technical and Product Description This graceful table lamp provides a soft and beautiful diffused glow through an elegant orb that is brilliantly balanced against its sleek body. It is available with a body of painted or anodized aluminum made by CNC matching. It features a hand-blown opal glass diffuser. The power cord measures 200 centimeters and includes a dimmer switch with ON-OFF functionality and 10-100% light adjustment. The plug-in power supply includes interchangeable plugs.

Inspiration behind the design:

When designer Michael Anastassiades sets out to create a piece, he is mindful of how it will transform its environment even when it is not in use. With Extra, he focuses on the balance of elegance and mystery, providing a design that is at once subtle and surprising.
