Technical and Product Description	This sleek tabletop lamp was originally created by renowned designers Edward Barber and Jay Osgerby for the London Design Museum. Evoking the spirit of a candle, the Bellhop can be carried from room to room, casting a pool of direct light wherever it goes. Portable and wireless, it charges via a micro USB-C and holds a charge for up to 24 hours.
	Inspiration behind the design:
	Designed by Edward Barber and Jay Osgerby, Bellhop is a portable tabletop lamp that evokes the spirit of a modern day candle: Wireless and rechargeable, it can easily be carried from room to room, wherever it is needed.
