Technical and Product Description	"Tab lamp is a simple folded form, creating a visually pure shade that translates into a desk and floor lamp. The simplicity of the form contrasts with the technical characteristics of the ceramic reflector, which gives a pure and controllable light. The Tab family, originally in white and black color, is now available also in two more trendy colors: dark green matte and blue matte. Table and floor lamps providing direct lighting with adjustable head. Body in painted pressofused aluminium. Multi-led diffuser in specially designed PMMA to avoid the Multi Shadow effect and dazzle. Head rotation from 90 degree to 180 degree."
